

## Home Builders Foundation-HomeAid Portland

is calling on our local industry to help out  
in this time of need!

Join us by supporting these  
donation collection sites.

The shortage of masks and eye protection among health care workers is at a crisis level. Both the President and the Vice President have called upon the construction industry to provide these items to the health care industry immediately. This is our time to act as an industry for the greater good.

Lennar, Builders FirstSource, and Leading Builders of America are asking for the following:

We are asking for donations of masks and eye protection equipment. Dust masks are acceptable - they do not have to be medical grade - although those are preferred, the dust ones are better than nothing.

Drop off location in Portland:

Builders First Source \*\*\*Prior to drop off\*\*\*  
15877 SE 98th St. Contact: Todd Kelly  
Clackamas, OR (503) 288-7330  
97015-1129

Looking for another way to help? Our friends at Providence have asked for help.

“Currently, personal protective equipment (PPE) is running low in Oregon as we continue to fight the COVID-19 pandemic. We’re grateful to our community for us asking about making donations.”

There are several ways you can support their efforts:

- Donate to one of their Providence Foundations by choosing “Area of Greatest Need” at the [Providence Foundations website](#).

- Donate needed supplies: gloves in sealed boxes, gowns in sealed bags, hand sanitizer, medical swabs – sealed/sterile

- Drop-off locations starting, Monday March 23 (Accepting donations 8 a.m. and 5 p.m., Monday through Friday, when a Providence team member can be available to accept.)
